

# Texas Comptroller's Leadership Circle is now Texas Transparency Stars Program

## Transparency Stars Recognizing Local Transparency Achievements

### HOW TO COMPLY WITH TEXAS STARS

Mo'mix Solutions offers an easy to use, cost effective Transparency Stars toolkit called: MyGovCenter Public Portal. MyGovCenter is a website extender that integrates with your existing website and has been created so that you can quickly and easily comply with all Transparency Stars Program criteria for publishing your data while also offering you robust capabilities for sharing additional information to the public for greater engagement.

### HOW TO APPLY

After configuring MyGovCenter with your data, simply complete the state web form by submitting your local government's contact information and links to transparency information for each Star for which you are applying. Upon application, you'll receive a confirmation of receipt and the state will begin processing your application and determining your award status.

### DEADLINE

There are no application deadlines for Transparency Stars. Awards are granted and maintained on an ongoing basis and recognized publicly on the Texas Comptroller website.

### DO I HAVE TO APPLY FOR ALL FIVE STARS?

You can apply for one or more Stars, up to five. Entities must first receive a **Traditional Finances Star**.

The Texas Comptroller of Public Accounts has announced a new transparency initiative called Transparency Stars Program which replaces the Leadership Circle prior standards for posting financial data online. The Transparency Stars Program recognizes local governments that are going above and beyond in their transparency efforts with criteria for what and how data should be shared online. By adhering to the criteria of online open data as described below, an organization can apply for and be awarded up to 5 Stars of recognition on the Texas Comptroller's website.

The Texas Comptroller will recognize government entities that accomplish the following:

- **Open Books:** Sharing data not only of traditional finances, but also in the areas of contracts and procurement, economic development, public pensions and debt obligations.
- **Meaningful Data:** Providing data in clear and meaningful ways to the public including financial information not only by posting financial documents, but also through summaries, visualizations, downloadable data and other relevant information.

#### Texas Stars Categories for Award:

- \* **Traditional Finances**
- \* **Contracts and Procurement**
- \* **Economic Development**
- \* **Public Pensions**
- \* **Debt Obligations**

For more information, go to: [http://www.texastransparency.org/Local\\_Government/stars/](http://www.texastransparency.org/Local_Government/stars/)

#### Five Texas Stars:

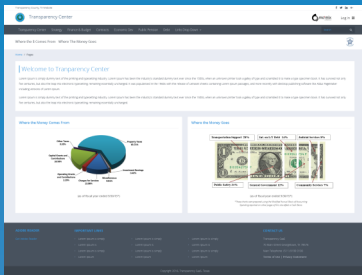

- **Traditional Finances:** Expenditures as a total and per capita, revenues as a total and per capita, total personnel by FTE, revenues from property taxes, revenues from sales taxes and check registers for 3 years.
- **Contracts & Procurement:** Procurement spending in total and per capita, total bids opened, total bids closed or awarded, total dollar amount of bids received and total dollar amounts awarded.
- **Economic Development:** Tax abatements in total and per capita, estimated abatements over life of agreement, number of jobs created.
- **Public Pensions:** Funded ratio, amortization period, one / three / ten year rates, rate of return, total contribution rates and unfunded accrued liability.
- **Debt Obligations:** Total outstanding debt, tax supported
